

The New World of Self

Heinz Kohut's Transformation of Psychoanalysis and Psychotherapy

The New World of Self

*Heinz Kohut's Transformation
of Psychoanalysis and Psychotherapy*

Charles B. Strozier | Konstantine Pinteris
Kathleen Kelley | Deborah Cher

In *The New World of Self*, Charles B. Strozier, Konstantine Pinteris, Kathleen Kelley, and Deborah Cher draw upon their deep knowledge of Kohut's extensive and diverse writing to understand the full significance of his thinking. His self psychology released psychoanalysis from the inherent limits created by its theoretical dependence on drive theory. Kohut instead focused on immediate experience. He also embraced historical themes, leadership and culture, literature from Kafka to O'Neill, the psychology of music, much about art, and a theory of religion and spirituality for modern sensibilities. Acquainting the work of this eminent psychoanalytic theorist to a new generation of clinicians and scholars, *The New World of Self* unpacks the transformative research of Heinz Kohut and highlights his significance in the history of psychoanalysis.

The Authors
